Learning to Learn

21st March 2025

Arbor

We have had a communication nightmare for the past fortnight – and it looks like we are still ending up in your junk email box. We are incredibly frustrated and you may well be too. We are still working with the technical team to ensure we are fully operational. Thank you all so much for your patience with us.

Staff News

We are delighted to share with you that we have some new staff on our team:

Mrs Anna Tatham – Teaching Assistant (Year 3)
Mrs Miranda Bennett – Teaching Assistant (Year 5)
Mr Joseph Naulleau – Teaching Assistant (Year 6)

We are still looking to recruit some additional staff (in a difficult marketplace!) and we will continue to advertise on [teachinherts](https://www.teachinherts.com) and on our [website](#) and social media pages. If you are interested, please do take a look and you if any of these roles sound interesting to you and you would like to find out more, please contact Mrs Wing or Mrs Lloyd who will happily chat these opportunities through with you.

We have also a goodbye – Mrs Ann Hilling, our woodwind teacher is retiring after many years. We would like to thank her for all she has done for our children and wish her well as she embarks on her travels.

Finally, we would like to congratulate Ms. Tracy Pearce who has welcome a baby girl into her family. We are absolutely delighted for her.

Musical Success

Many congratulations to Sienna Sal who recently secured a distinction on her Grade 1 piano exam. Well done!

SOCS

Sponsored Bounce – Tuesday 1st April

Please see attached poster for the upcoming sponsored bounce held by SOCS.

School Uniform

Just a gentle reminder please, to ensure that children wear the correct school uniform (including PE kit), with no jewellery, make-up, nail polish, hair tied back, etc. We believe that a smart school uniform and appearance is part of our ethos and makes us 'us'. Thank you for your support.

Attendance

At Cuffley, we know how important attendance is for the ongoing wellbeing, learning and progress of our children. There is a lot in the press at the moment about attendance and the impact it can have on children. The latest update from the [Department for Education](https://www.gov.uk/government/organisations/department-for-education) has some interesting facts – its worth a quick read if you have a moment.

Magic Moment

This week we celebrated Neurodiversity Week. Our children took part in a range of activities which supported them to appreciate and value how everyone is different. Thank you to everyone involved in making the week so successful.
