Caring Curious Courageous

30th January 2026

New Website

We are thrilled to announce that the brand-new [Cuffley website](#) is officially up and running. We hope you enjoy the new look!

Visits and Visitors

We have had a busy start to the term with a range of enrichment experiences for our children.

Year 6 Visit to Hendon

Year 6 enjoyed a visit to the RAF Museum in Hendon, where they were able to add colour to their learning about the Second World War. The children were captivated as they explored the historic hangars, getting up close to iconic aircrafts and learning about the incredible stories of the people who flew them. As ever, our children were very well-behaved.

Little City Experience for Nursery and Reception

Children across Nursery and Reception were able to experience Little City last week. They loved the role play options, making the most of all on offer. We could certainly see what their future career ambitions might be!

Young Voices at the O2

Children in our Singing Club were able to represent Cuffley in the Young Voices performance at the O2 on 20th January (Cuffley hasn't attended since pre-Covid!). It was a truly spectacular evening and one which the children and staff will not forget. The children were an absolute credit to us, and we were incredibly proud of them. Huge thanks to Mrs Sizer who led the project so ably; also, to the staff team who supported both at the Singing Club and on the night. What a team!

Nursery Applications

Nursery applications **open on Monday 2nd February**. Please keep an eye on our [website](#) where an application form will be uploaded. Hard copies will also be available from the school office. Nursery applications will **close on Friday 13th March**.

Banded Books Plea

Most of you will know that children at Cuffley read colour-banded books in addition to other reading options. Many of these books seem to have been mislaid and replacing them costs hundreds of pounds. **Please, please can you check carefully at home and return any school books so that we can get them back into circulation as soon as possible.**

Musical Achievement

Congratulations to:

Naya Sal

Piano Initial Grade - Merit

SEND Coffee Morning

Mrs Bedwell would like to invite parents to the next SEND Coffee Morning on **Monday 9th February** in The Oasis. She will be talking all things Speech and Language, including sharing some school initiatives with you. Do come along and share tea/coffee and biscuits with us. We'd love to see you there.

Considerate Driving & Parking Plea

We get on very well with our neighbours and the surrounding local community and we work hard to forge positive links. Lately we have had many, many telephone calls/emails about unsafe driving, careless parking and potential hazards for children and the wider community. There have been reports of parking on private driveways, parking in privately-owned parking bays, parking on yellow lines and bends, speeding, and so on. Sadly, there have also been cases of rudeness and abuse, often witnessed by children. We know that this is not the case for most of our parents, however, our joint reputation is damaged in these situations. Please drive considerately, park with care and put our children first. Thank you.

Magic Moment

Children learning an instrument at Cuffley are invited to play at our weekly assemblies and it is always wonderful to hear them perform. This week, walking past the hall, there was a wonderful moment when the pianist made me stop in my tracks and listen. Charlie Ferriter, thank you so much for making the start of my day so special. Mrs Wing.
