It has been another fantastic year of sport at Cuffley, with our children embracing every opportunity to compete, develop their skills and represent the school with pride! We are delighted to announce that Cuffley has once again been awarded the Gold School Games Mark for the 2025/26 academic year, recognising our continued commitment to high-quality PE, school sport and competition. This national award reflects the hard work and dedication of our children, staff and volunteers and we are incredibly proud of all they have achieved throughout the year!

Some of the children ran 2.6km while others completed a mile. The experience was truly special, giving the children the chance to create lifelong memories as they crossed the official London Marathon finish line and proudly earned their very own medals.

Well done to all of our children for representing the school with such pride and enthusiasm! Events like these would not be possible without our dedicated staff giving up their Saturday – thank you to Miss Cooper, Miss Finch, Mrs Stevens, Mrs Wing and Mr. Wing!

Sports Day 2026

We were delighted to hold three enjoyable Sports Days, with children from Nursery through to Year 6 taking part in their respective days with tremendous enthusiasm, energy and encouragement! It was wonderful to see everyone giving their best effort and supporting one another throughout the days – including in the adult races too! Once all of the scores were tallied, the Yellow Team proudly secured the Sports Day trophy for the second year running!

TCS Mini London Marathon

In April, we took 40 children to take part in the TCS Mini London Marathon and, as always, it was a fantastic day filled with an incredible atmosphere!

Cuffley's Mini Marathon

Alongside being lucky enough to secure spaces for the TCS Mini London Marathon, we hosted our very own version on the KS2 field! Children from Nursery all the way up to Year 6 participated in Cuffley's very own mini marathon. The aim was for the children to challenge themselves to go the distance while encouraging each other to reach the finish line. At the end, each child who took part was awarded a certificate and, as a school, we've earned a trophy to recognise our collective efforts too!

WDPSSA Cross Country Championships

A team of 10 children from Years 4, 5 and 6 represented the school at the annual cross country championships at Haileybury Turnford. Despite much of the competition not turning out on the day, our runners still delivered a fantastic performance and showed great determination throughout.

Lois, Matilda and Zara finished in the top three for the girls while Jonah and Hudson secured 1st and 3rd places in the boys' race. Combined with several other outstanding individual finishes from the rest of the team, this meant that Cuffley were crowned overall champions!

GWA Year 5 & 6 Athletics Competition

For the first time, we were invited to take part in an athletics competition at Gracewood Academy, competing against schools in Potters Bar. Our team of 14 children embraced a wide range of field events – many trying activities such as shot put and discus for the very first time – as well as the track events. They performed brilliantly throughout the day, with many children winning their individual events. Their outstanding efforts earned Cuffley first place overall! Go Cuffley!

WDPSSA Football Finals Day

Following their success in the Cheshunt league, the Year 6 boys managed to reach the WDPSSA Football Finals Day in April! The boys played Fairfields in the semi-final where they dominated with a 5-0 win and secured their place in the final against Brookland.

The opposition were strong and both teams fought incredibly hard; their tough battle continued right until the final whistle where the match finished 0-0, taking the game to a penalty shoot-out. Taken with composure, Cuffley's penalties were all on target; with everything hanging on the final kick, Brookland struck the post, sealing victory for the boys! Their hard work over the season paid off as they took the trophy and were crowned the Cheshunt league champions!

Junior Wix Competition Final

After an incredible run of victories, the Year 6 boys proudly reached the Junior Wix Final at Harvesters FC. This is a prestigious achievement and a true testament to their hard work and commitment throughout the competition. The boys played with outstanding determination and showed excellent sportsmanship from start to finish.

Unfortunately, it just wasn't their day and they were narrowly defeated 2-1. We are extremely proud of their resilience, teamwork and effort in reaching the final – a fantastic accomplishment which they should all celebrate!

Queenswood Girls' Football Festival

Ten of our Year 4 and 5 footballers were very kindly invited to Queenswood School to participate in an afternoon of football! Overseen by two fantastic coaches and Queenswood scholars, the festival focused on learning, participation and enjoyment.

The girls had a wonderful time, playing with such enthusiasm and making great progress throughout!

Potters Bar League Results

Our Year 5 boys' football team have had a brilliant season and shown us a glimpse of what is ahead for next year! Winning all but two of their matches since September, the boys managed to achieve a respectable third place overall. We are incredibly proud of every single one of the boys who represented Cuffley and contributed to the team's success this year – well done, boys!

The girls' team managed to keep their position at the top end of the table consistently throughout the season. In each match, the girls fought hard and they managed to secure second position in the league overall – this is an incredible achievement especially considering the team predominantly consists of Year 4s! The future is bright and we are certainly proud of each of the girls who have represented Cuffley!

It has been a challenging year for the netball team, with a number of tough losses throughout the season. However, they remained determined and have continued to step onto the court with resilience, teamwork and fight in every single game. We hope our Year 6 players continue their netball journey as they move on to secondary school and take their passion for the sport with them!

GWA Le Gros Netball Tournament

In May, Ms B took a team made up predominantly of Year 4 children, alongside a few Year 5s, to Gracewood Academy to give them a taste of what competitive netball will look like next year. With continued practice, perseverance and team spirit, we are hopeful for a successful season next year!

Year 5 Ultimate Frisbee Tournament

Nine of our Year 5 children headed over to Ladbroke School to compete in an Ultimate Frisbee Tournament. Given that it was a brand new sport, the children played superbly as a team. After spending the initial half of the morning practising their throwing and catching skills, they moved into a round-robin tournament against 6 other Potters Bar schools. The children represented the school fantastically, offered each other consistent encouragement and thoroughly enjoyed their morning.
